Dear Mr. Fleming:

The Unified Progress International Education is a wonderful way to help the students of Wilbur Cross High School. I support the implementation of their life-skills class at Wilbur Cross this fall for the 2004-2005 school year. I believe that this program will help the students gain valuable knowledge and abilities to improve academically and socially as teenagers. If you have any questions please call me at (203) 946-6063.

Sincerely,

Robert J. Canelli
